

Paper Pieced - "Crazy Cushion"

Class Description and Supply List:

This "Crazy Cushion" is paper pieced with 3 different designs:

- Star Jasmine
- Pineapple
- Flying Geese

I will show you how to do paper piecing using a light box. This technique makes it so much easier to get the points perfect!

You will learn how to make the welting and the large hand quilting with pearl cotton to make your cushion pop. (We will also go over stitching in the ditch which adds more dimension to your cushion while making it more stable for all the long stretches of sitting you will enjoy on your cushion!)

This cushion also has a zipper which makes it easier to wash if necessary 😊 I will show you how to set and stabilize your zipper and put a fun handle on so that carrying your cushion is easier!

Supplies needed for the class:
