

Heat Wave supply list

Nite Owl Quilt Guild July 2018

Barbara Chapman

Makes a quilt top approximately 63" x 77"

Option 2 makes a twin size 63" x 84"

You will need:

Heat Wave pattern (\$10, available from instructor)

Or: [www.orangedotquilts.etsy.com](http://www.orangedotquilts.etsy.com)

Five yards of five different fabrics\*

Sewing machine and basic sewing supplies

You are encouraged to come to class with your fabrics pre-cut as shown below. In the diagram the selvages are seen at the top.

BUT-- if you wish to make the twin size version (63" x 84") please use caution when cutting your fabrics. Option 2 on the instructions below will have you cutting some additional pieces on the crosswise grain when the majority of the pieces are cut on the lengthwise grain. Not an issue for solids or non-directional prints, but strongly directional fabrics such as a stripe will be VERY noticeable. Perfectionist types (like your instructor) may be bothered by this. Others will shrug. It's all up to you. 😊

\*Purchasing 1-1/4 yards of each fabric will give you enough making the twin size and the scrappy binding.

**Cutting the fabric** | *TIP: Remove the selvage ends of the strips before cutting the pieces..*

From each of the 5 one yard pieces of fabric cut **40** - 7 1/2" x 4" pieces, as shown in the cutting diagram below:

7 1/2" x 4"	7 1/2" x 4"	7 1/2" x 4"	7 1/2" x 4"	2 1/2" x 42"	2 1/2" x 42"
7 1/2" x 4"	7 1/2" x 4"	7 1/2" x 4"	7 1/2" x 4"		
7 1/2" x 4"	7 1/2" x 4"	7 1/2" x 4"	7 1/2" x 4"		
7 1/2" x 4"	7 1/2" x 4"	7 1/2" x 4"	7 1/2" x 4"		
7 1/2" x 4"	7 1/2" x 4"	7 1/2" x 4"	7 1/2" x 4"		

*One yard fabric, folded in half selvage to selvage.*

Also cut **2** - 2 1/2" strips from selvage to selvage.  
Set the strips aside for the binding.

**OPTION 2:** Cut **4** more 7 1/2" x 4" pieces from each yard, instead of the two binding strips. This will give you enough pieces to add another row to your quilt and make it a Twin size at 63" x 84".

**Backing:** 5 yards  
**Batting:** 70" x 90"
