

## Supply list

### Tee Shirt Quilt

Tee Shirts (clean)

Sewing Machine (in good working condition)

Rotary mats

Rotary Cutter

Rulers (include a large square 12 ½ or 15 1/2 inch square)

Thread

Scissors

Pins (flat head flower pins are handy)

Gridded pressing surface (optional)

Nonstick pressing sheet

Fusible nonwoven interfacing **light to medium** (such as pellon)

The amount of fusible interfacing needed will depend on the number of tee shirts and how big you are making the quilt.

Fabric for sashing and/or additional blocks to put your quilt together.
